WHO IS THE ROADSIDE ASSISTANCE PROVIDER?

Fiat Professional Roadside Assistance is provided by AGA Assistance Australia Pty Ltd ABN 52 097 227 177 trading as 'Allianz Global Assistance' ('Allianz Global Assistance') on behalf of FCA Australia Pty Ltd (ACN 125 956 505). Whenever you request roadside vehicle assistance, you will be making that request to Allianz Global Assistance, who will provide the services on the terms and conditions set out below. The terms and conditions contain exclusions and limitations.

ELIGIBILITY CRITERIA

In order to be eligible for roadside assistance, your vehicle must be a roadworthy, well-maintained vehicle. Additionally, your vehicle must be mobile at the time of policy creation. If your vehicle is not a roadworthy, well-maintained vehicle, we may still attend your call, but we will inform you of the cost that will be charged to provide you with assistance. This cost will be your responsibility.

PLEASE STAY WITH YOUR VEHICLE

Once a roadside service provider has been called, it is important that you remain with your vehicle if it is safe to do so. Should we arrive at the scene of the breakdown and the vehicle is unattended, we will be unable to carry out any work and payment may be required for any subsequent callouts to assist with the same incident. If you require assistance and have to leave your vehicle for safety reasons, please advise the customer service assistant at the time of the initial call.

TELE-ASSIST

Once our customer service assistant receives your call, we will provide general advice about the operation of your vehicle. If your vehicle is immobilised, we will provide an over the phone diagnosis (where possible) to get your vehicle mobilised.

ROADSIDE ASSISTANCE

If our customer service assistant is unable to get your vehicle mobilised over the telephone, we will dispatch a service provider to assist in the following ways:

› Flat Batteries

Flat batteries can occur. If you find yourself immobilised with a battery problem, we will attend to your vehicle, test the battery for performance, jump start the flat battery or coordinate a battery replacement if required. The cost of the replacement battery may be charged to you or replaced free of charge if the replacement battery is covered by your vehicle warranty.

› Emergency fuel

If your vehicle runs out of fuel, we will provide sufficient petrol or diesel for you to travel to the nearest available petrol station. Alternatively, we may tow your vehicle to the nearest petrol station, subject to the towing limits set out below. In the event a mis-fuelling incident occurs as a result of an action of the owner or authorised driver, towing will be coordinated at your cost.

› Flat tyres

If you find yourself with a flat tyre, we will change it with the vehicle's serviceable spare wheel. If your vehicle is not equipped with a spare wheel, we will transport the vehicle to an approved tyre outlet or authorised repairer, whichever is the nearest (subject to the towing/transportation limits). Should additional services be required beyond this due to multiple flat tyres, the spare tyre being unserviceable, replacement wheel studs/nuts not being available or locking wheel nut key not available, towing is provided up to the towing limits specified below.

Where your vehicle is equipped with a temporary mobility kit, this may be used if it is deemed safe to do so.

› Lost or locked keys

If you lose your keys or lock them in your vehicle, we will provide all reasonable assistance (subject to proof of ownership shown) to:

- locate and deliver a spare key or
- arrange for the driver to retrieve the spare key, if this is more practical; or
- gain access to your vehicle (once a consent and indemnity form has been signed by you).

In all other situations where the key is not available, we will arrange to transport the vehicle to an authorised repairer, where the appropriate entry methods may be used. We will not be responsible for any damage incurred, or for any repair costs that result from gaining access to the vehicle or moving the vehicle while it is locked. A limit of \$150.00 (incl. GST) applies to this benefit. All additional costs are your responsibility.

> Towing/transportation

If your vehicle cannot be mobilised at the breakdown location, we will deliver your vehicle to the nearest authorised Fiat Professional dealer or repairer. If the breakdown has occurred after business hours, we will arrange for your vehicle to be stored at a secure facility and delivered to an authorised Fiat Professional dealer or repairer on the next working day.

> Caravan & Trailer Assistance*

If your vehicle suffers a breakdown and requires transportation to a repairer, we will transport the attached caravan or trailer to the same repairer or agreed location.

It is your responsibility to inform our customer service assistant that your vehicle is towing a caravan or trailer prior to a service provider being dispatched to assist you. If you do not tell us, you may be responsible for any/all subsequent costs associated with the caravan or trailer towing.

*This service does not extend to breakdown related matters associated with the caravan or trailer itself or caravan and trailer couplings where your vehicle is still mobile. The caravan or trailer cannot exceed the legal towing weight or dimension restrictions for a passenger vehicle transporter.

> Accident coordination

Following an accident, we will coordinate towing arrangements and will also provide advice on accident procedures. If required, we will coordinate alternative transport to enable you to continue your journey. All accident towing and alternative transport costs are your responsibility.

(Note that these costs, subject to the payment of any excess, may be recoverable from your insurance company under an appropriate insurance policy)

> Bugged vehicle coordination

We will, attend and recover your vehicle from a bogged situation provided that reasonable and safe access is available to a conventional two wheel drive recovery vehicle and no other specialist equipment is necessary.

A limit of \$100.00 (incl. GST) applies to this benefit. All additional costs are your responsibility.

> Taxi coordination

If your vehicle is immobilised due to a breakdown, and required towing, we will provide one taxi ride for you to reach your destination.

A limit of \$150.00 (incl. GST) applies to this benefit. All additional costs are your responsibility.

> Emergency accommodation

If your vehicle is immobilised overnight due to a breakdown and you are more than 100kms from your home address, we can provide you with accommodation for 1 night, should you decide to remain with the vehicle whilst it is being repaired locally, or if the breakdown has occurred outside the hours when alternative transport could be arranged.

A limit of \$150.00 (incl. GST) per night for the room only and excludes any meals, phone calls, laundry, etc applies to this benefit. All additional costs are your responsibility.

> Car rental

If your vehicle is immobilised due to a breakdown, you are more than 100kms from your home address and the vehicle cannot be returned on the same day as the breakdown, we can provide you with a rental vehicle for up to 7 days at a maximum value of \$100 per day for you to continue your journey. You will be responsible for all related hire costs (including any rental bond), fuel costs, excess kilometre charges, traffic infringements, relocation fees, any damage and any remaining excess or insurance waivers on the rental vehicle. We may not be able to provide you with this assistance if your driver's licence history or age or other reason will not allow the rental company to provide a hire car. If a rental bond cannot be provided by you at the time of securing the hire car, the provision of the hire car will be at the discretion of the rental company.

> Alternative transportation coordination

Should accommodation or a rental vehicle be unavailable following a breakdown which has immobilised your vehicle overnight and you are more than 100kms from home, we will provide alternative transport on your behalf. A limit of \$700.00 (incl. GST) applies to this benefit. All additional costs are your responsibility.

> Vehicle relocation coordination
